

Tarmac Coaches

A combination of 8 large format advertising panels and 20 -25 grab handles bring your brand alive inside the Tarmac coaches

Grab Handle

Each coach on average ferries 50 passengers per trip and makes 40 - 80 trips a day, constantly ferrying the passengers between the terminal and the aircraft.

Each grab handle will be double sided for increased visibility.

Every month approximately 3.2 million passengers pass through all the coaches. Each passenger passes through the coach twice, once during departure and once on arrival.
